BOOK SYNOPSIS

Best selling adult coloring book artist Beth Ingrias presents a new style of adult coloring book that features 30 airplanes in a way that makes creating a work of art simple. Each design features pre-shaded areas which make the concept of shading very easy. Darker colors work best in the darker pre-shaded areas and any color can be applied to the lighter pre-shaded areas for highlights. Each finished piece looks like a painting done by a master painter. This concept has already become a huge hit among Beths fans. Grab a copy of this adult coloring book for yourself and create incredible works of art worthy of framing. "There are not many adult coloring books on the market with designs that men really enjoy. My husband asked me to create one for him using airplanes. While I was creating these designs, I experimented with many different techniques until I decided on the light shaded areas. Each design looks like a painting with no color. It is up to you to add the colors of your choice using markers, gel pens and colored pencils." Beth Ingrias.
