## **BOOK SYNOPSIS**

With its portability, simplicity, and expressiveness, the harmonica is the ideal instrument for the contemporary wannabe musician. But how to avoid simply squawking and create those pleasing sounds that make the harmonica such a distinctive presence in a wide range of musical genres? David Harp, known as the "Harmonica Guru," has the answer. In less than 100 pages, and with the help of a 74-minute CD, the author shows players of all skill levels how to wow themselves and their friends with folk songs like "Amazing Grace," cool blues solos, hot rock riffs, or a mournful country-and-western tune — all with the authority of a pro. This third edition of the bestseller has been revised and updated with more information and more songs. Each lesson in the book is demonstrated on the CD.
