BOOK SYNOPSIS

This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. It is called by many names, and lived in a variety of ways by different couples. The most common terms used to describe it are hotwife or cuckold lifestyle. This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the U.S., and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships. He explores the psychological, social, biological, and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious.

INSATIABLE WIVES WOMEN WHO STRAY AND THE MEN WHO LOVE

THEM - Are you looking for Ebook Insatiable Wives Women Who Stray And The Men Who Love Them? You will be glad to know that right now Insatiable Wives Women Who Stray And The Men Who Love Them is available on our online library.
