## BOOK SYNOPSIS

Kieso, Weygant, and Warfields Intermediate Accounting continues to set the standard for students and professionals in the field. Kieso maintains the qualities for which the text is globally recognized, including its reputation for accuracy, comprehensiveness, accessibility, and quality problem material that best prepares students for success on the CPA exam and accounting careers. The 16th edition offers the most up-to-date coverage of US GAAP & IFRS in a presentational format suited to the complex challenges of teaching intermediate accounting in these changing times.
