BOOK SYNOPSIS

Lucky Peach is a journal of food writing, published on a quarterly basis by McSweeney's. It is a creation of David Chang, the James Beard Award-winning chef behind the Momofuku restaurants in New York, Momofuku cookbook cowriter Peter Meehan, and Zero Point Zero Production—producers of the Travel Channel's Emmy Award-winning Anthony Bourdain: No Reservations. The result of this collaboration is a mélange of travelogue, essays, art, photography, and rants in a full-color, meticulously designed format. Recipes will defy the tired ingredients-and-number-d-steps formula. They'll be laid out sensibly, inspired by the thought process that went into developing them. The aim of Lucky Peach is to give a platform to a brand of food writing that began with unorthodox authors like Bourdain, resulting in a publication that appeals to diehard foodies as well as fans of good writing and art in general. Whats inside? -David Simon, creator of The Wire and Treme, remembers his father via pickles and cream. -Jonathan Gold and Robert Sietsema talk Teletubbies in Kansas City. -Theres a "Choose Your Own Adventure"-style hunt for tacos through Texas and California. -Plus stuff from Harold McGee, Anthony Bourdain, Elvis Mitchell, and more!
