BOOK SYNOPSIS

Performance-Based Assessment for Middle and High School Physical Education, Second Edition, breaks down the complex topic of assessments and shows you how to develop assessments that will help you and your students work together to enhance the instructional process in physical education. The authors describe the various types of performance-based assessments and show how to integrate assessments into fitness education and physical education, using numerous models that can be adapted to your own situation. The authors provide a wealth of tools for assessing students according to local, state, and NASPE standards while helping students reach their goals. The text is supported by a Web site that includes a test package, a presentation package with PowerPoint slides, an instructor guide, and a CD-ROM that includes additional forms and assessments.
