BOOK SYNOPSIS

Forty-two years and five books into her life, Charlotte Dearborn abandons her noncommittal boyfriend and her sinking-ship writing career, and becomes an elementary school teacher. Sure, shes giving up her dream of being a famous novelist, but in exchange shell find a stable income, job satisfaction, and maybe even love. At least thats how itd work if she were a character in one of her novels. In real life, shes busy coping with twenty yelling first-graders, a teachers lounge full of nasty coworkers, and a series of romantic misadventures that fall far, far short of the real thing. Charlottes struggle to navigate the waters of a new career, a new single life, and the loss of her identity as a writer make *Second Draft of My Life* a funny, compulsively readable gem. From an author *The Boston Globe* applauded as "very, very good on the business of falling in and out of love," it is part romantic comedy, part manual for living, and wholly triumphant.

SECOND DRAFT - Are you looking for Ebook *Second Draft*? You will be glad to know that right now *Second Draft* is available on our online library.
