BOOK SYNOPSIS

Never date your best friend. Always be original. Sometimes rules are meant to be broken. Best friends Dave and Julia were determined to never be cliché high school kids. They even wrote their own Never List of everything they vowed theyd never, ever do in high school. Most of the rules have been easy to follow, like #5, never dye your hair a color of the rainbow, or #7, never hook up with a teacher. But Dave has a secret: hes broken rule #8, never pine silently after someone for the entirety of high school. Its either that or break rule #10, never date your best friend. So when Julia impetuously suggests they do every Never on the list, Dave is happy to play along. He even dyes his hair an unfortunate shade of green. It starts as a joke, but then a funny thing happens: Dave and Julia discover that by skipping the clichés, theyve actually been missing out on high school. And maybe even on love.

SOMETIMES NEVER - Are you looking for Ebook Sometimes Never? You will be glad to know that right now Sometimes Never is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
